47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe in America, Democracy and free market. Do not limit competition by supporting a one (party) system monopoly such as ATT. I want to encourage you to be responsible to all americans. Understand that there are differing needs that are better meet with differing services. We need diversity and competition to keep the economy and country healthy.
